

Blessing of Children

As your child leave for school or sports, a class trip or the events of the day, take a moment to sign his or her forehead with the sign of the cross. As you do so, pray on the following blessing prayers or a blessing prayer in your own words.

May God bless you today. Amen.

May God keep you safe today. Amen.

Today may you know my/our love and God's love, too. Amen.

May you be blessed with friendship, joy, and love today. Amen
