

### **Prayer for Each New Day**

God of all time,  
as we leave our home  
to go to school and work today,  
we ask your blessing.

Help us give our studies and  
our work our best efforts.  
show us ways to help  
our classmates and coworkers.

Make us mindful of your presence  
in every minute and every hour.  
and bring us safely home,  
that we may share  
the stories of the day  
and the warmth of your love.

**Amen.**
