

Gospel Activity

Make your own Angel Gabriel

Angel Craft

This is a simple craft that toddlers and preschoolers can easily make. If you want to make it with older children, you can have them draw on a face and glue on some wool hair. Or use wiggly eyes instead of drawn eyes.

MATERIALS:

- triangle of construction paper
- circle of construction paper
- circle of white paper or a paper doily
- glue

OPTIONAL: glitter glue, sequins or sparkles

INSTRUCTIONS:

- Decorate the triangle of construction paper with glitter glue, sequins, sparkles, or markers
- Fold doily in half and glue it together..
- Glue doily to the back of the triangle
- Glue circle to the top of the triangle (see photo).
