

How to Reflect on Sunday's Gospel with Children

Before going to mass or watching livestream, have one of the children or a parent read the scripture verse & reflection that corresponds with the scripture readings they will hear at Mass, a short prayer, and a question to discuss.

Parents challenge the children to listen carefully so they will notice when they hear that reading during the Mass. Perhaps let your child give you a wink or a nudge when they hear it.

After Mass someone should read the following questions and as a family discuss the answers together. If you notice something different about the mass, be sure that other family members noticed the same thing and talk about it.

What color were the priest's vestments?

What was one new insight the homily gave you?

What did you hear Fr. Brian say?

Was there something special you noticed at Mass today?
