Color the Worksheets

As a family discuss which things DO & DO NOT belong in God's house.

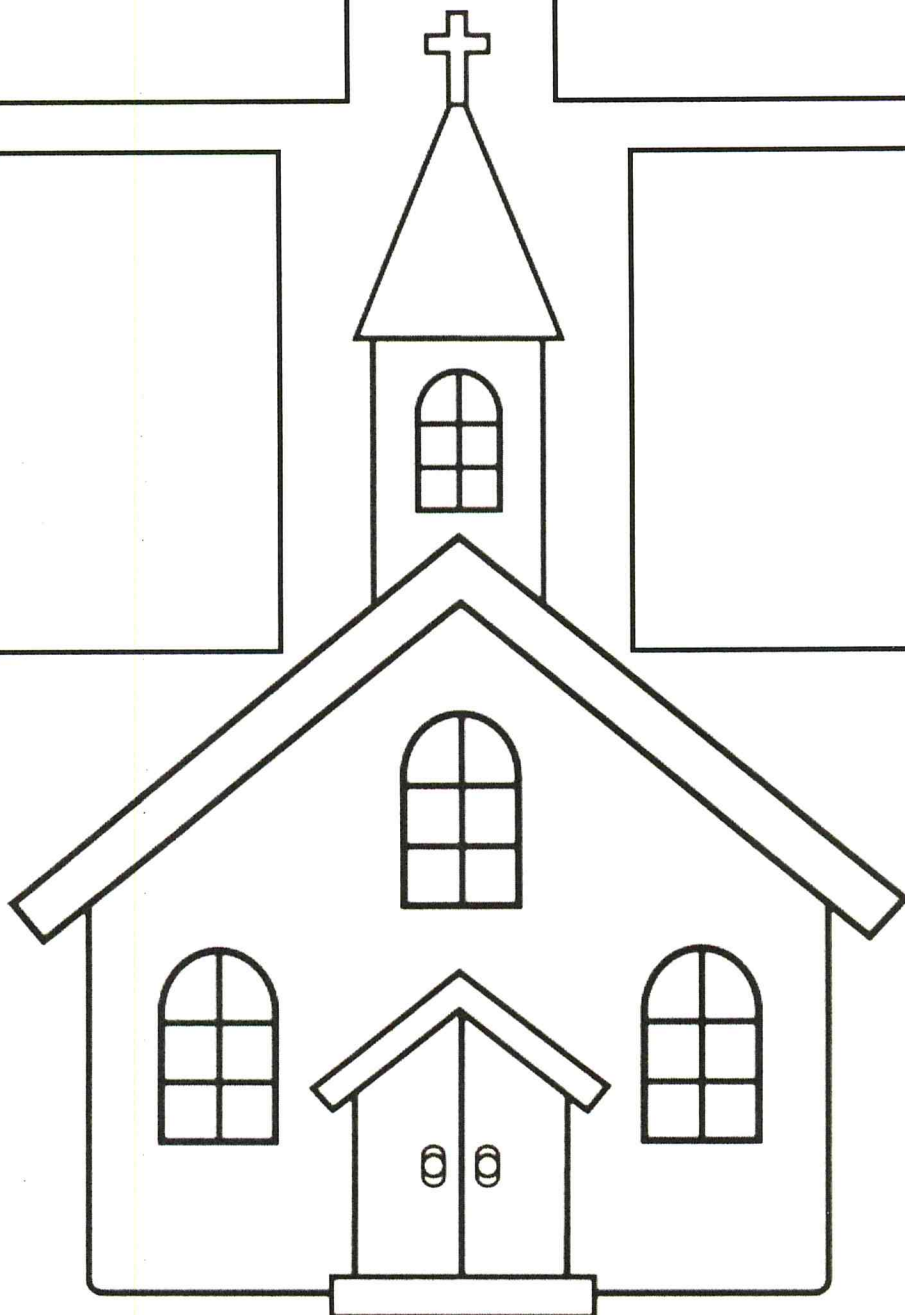

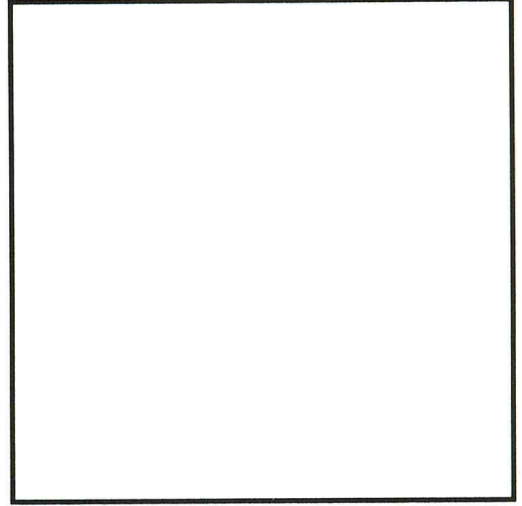

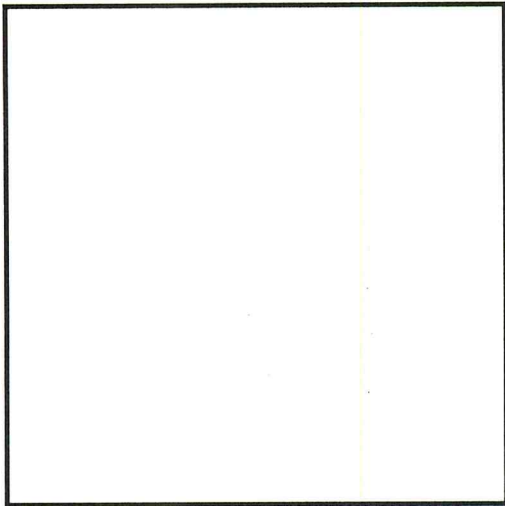

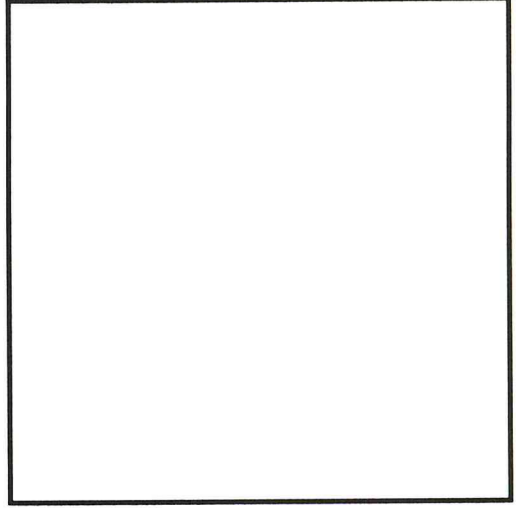

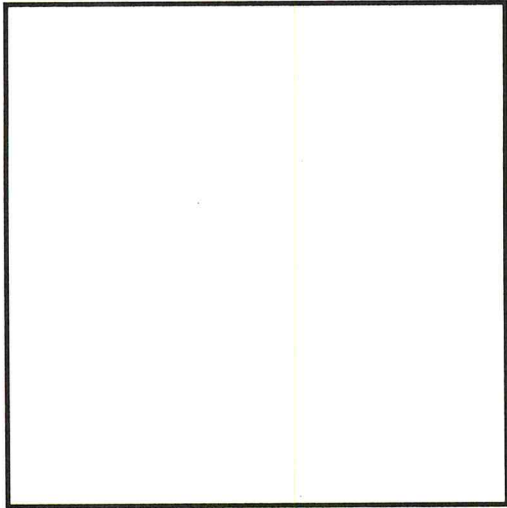

Go through the magazines and cut out pictures of things that DO belong in God's House and discuss WHY those things belong in God's House. Then glue them on the "Things that belong in God's House" worksheet.

Next go through the magazines and cut out pictures of things the DO NOT belong in God's House and discuss WHY NOT. Then glue the pictures to the "Things that DO NOT belong in God's House."

Be sure to hang your pictures in a spot that helps remind you that God's house is a place of prayer where we can be close to God in a special way. When we visit someone else's home we are well-behaved and remember our manners, so, too, we should respect God's house when we go to church.
