Dear Vacation Bible School Volunteer,

First of all, I want to thank you for your interest in offering your time and talent to such a wonderful cause. I am so proud of our parish's tradition of providing a fun week for our youngest members, and people like you make it possible!

This summer, I invite you to explore the nature of God as we travel to Rainforest Falls! Precious Blood's Vacation Bible School is scheduled for **June 8-11, 2026**.

This Totally Catholic VBS from Our Sunday Visitor will have the same station format we've used in the past couple of years. The goal is to reinforce the daily Bible Point in creative and memorable ways. This year the kids will grow in awe of God as our all-knowing creator who is our loving refuge forever.

Here's an overview of the station format. I ask that you prayerfully consider leading a station or helping in some way. We need many hands to make VBS a success – even those who help for just a day are so appreciated!

- Rooted Bible Adventures – Lead the kids in acting out the daily Bible story. Use props and interactive skits to teach.
- Imagination Station – Lead the kids in a science experiment with a teaching point that relates to the theme of the day. All science experiments are explained in the station manual, along with how the experiment shows the Bible Point for the day.
- Sticky Scripture – Lead the kids in exploring the Bible and the daily memory verse. The kids will have their own copies of the Book of Psalms to use as they look up the memory verse. Show the daily video, which introduces a Bible buddy to teach the kids.

And of course, we will have:

- Wild Games – P.E.-style games
- Treetop Treats – Snack

Before VBS starts, we need a large crew to help with the decorating! The decorations truly are what make the week come alive for the kids. Any help is welcomed to create backdrops and props and to set up on the Friday before we begin.

If you are interested in helping with Vacation Bible School this year, please fill out the enclosed form and return it to me in the office by April 30. You may email it, drop it off to the office, or put it in the collection basket.

Thank you, and I hope you'll come explore with us!
